#27 REHBAR BAKTOO

## INTRODUCTION 2.0

His passion for motorbikes comes from his father and his bond with the sport.

Rehbar's goals are to represent India in international events and become a successful motorcycle racer and compete at the highest level of sport. Now he continues to develop his skills and gain more experience in the sport to inspire other young aspiring racers to pursue their dreams and follow their passion. Demonstrated a high level of skill and dedication to the sport at a young age.
