#53 VÍCTOR GUBELES

INTRODUCTION

Victor is from Spain, from a town north of Zaragoza called Zuera, born on the 25th of December 2010. When he was only 2 years old he already started to like motorbikes. Victor's hobbies are all those that include risky sports and two wheels, such as bicycles, motorbikes and skiing.

INTRODUCTION 2.0

Victor's start in the competition came after a link to Chicho Lorenzo's school at the age of 4 where he began to compete in the inter-school league. After a trip to Chicho's headquarters in Mallorca we decided as a team to take the leap, with which he really started on this path. Cuna de Campeones, GP10, Moto 5 and Promo3 are the trajectory, for now, of Víctor Cubeles.
